

# Track and Trace with Coregas

Designed for you to optimise your time so you don't sit around waiting for deliveries. Choose how you want to receive tracking information (text or email). Tap or click on the handy link to see your delivery in real time.

## See how it works

- Contact Customer Service on 1800 807 203 to obtain your ID and password.
- Be notified of when a delivery is coming to you
- Benefit from real time updates
- Tap or click on the live map to show where the delivery is
- Get your notification on approach
- You're not there? We'll take a time stamped photo of the delivery and you can check it against your order

## Download the app now

Experience the difference of delivery notifications.
